LIMITED WARRANTY STATEMENT PHOTOVOLTAIC MODULE PRODUCTS

Date: 2nd Dec. 2021

For the photovoltaic solar module products of the following module type delivered under the sales contract or purchase order signed on and after Nov 1 st, 2021, Chint / Astronergy hereby approves 3 years extension for Product Warranty based on the Chint/Astronergy Standard Limited Warranty specifically for Photovoltaic Modules in below order:

- Module: CHSM60M-HC-350W
- Order details refer to Astronergy's internal information

For any above PV modules, this warranty is applicable to any valid (must be installed correctly according to the CEC guidelines and met with the warranty guidelines) rooftop installation within Australia but not near the sea.

Yours Sincerely,

Product Director:
